Please read and indicate your acceptance below:

- A Distributed Generation facility will be installed at the installation address stated above, which is intended to be connected to the local electricity network and may generate electricity into it.
- I confirm that I am the owner of the property at the installation address stated above and/or that I am authorised by the owner to install and operate the Distributed Generation facility at this address.
- I have read and accept Genesis Energy's Special Terms & Conditions for HomeGen and the relevant tariff schedule for exported electricity.
- I undertake to ensure the Distributed Generation facility complies with all relevant standards and/or statutory or regulatory requirements and any requirements of the relevant Network Company.
- I consent to Genesis Energy disclosing the information provided above to the relevant network company and other such parties as is required.
- I confirm I have advised Genesis Energy of my current GST registration status.
- I agree to a **\$100 HomeGen Set-Up Fee** being added to my Genesis Energy account for an existing connection.
- I have included/attached a **copy of my accepted approval to install Distributed Generation** from my lines company.
