Genesis Energy Limited (GNE) – Change of Officer

Genesis Energy announced today that its Chief Financial Officer Andrew Donaldson will be leaving the Company to take up a new role with Television New Zealand, effective from 1 August 2016.

Mr Donaldson was appointed in 2012 ahead of the successful Initial Public Offering of shares in Genesis Energy in 2014.

Chief Executive Albert Brantley said Mr Donaldson was instrumental in leading the financial and risk management work required ahead of the IPO, and has significantly contributed to the direction of the Company since.

“Andrew successfully improved the capability of the teams he led and guided them through a period of change as the Company re-structured its balance sheet, listed on the NZX and ASX and adapted to meet the dynamic and evolving New Zealand energy market,” he said.

Mr Brantley indicated that the Company’s annual results would be near completion before Andrew’s departure, and that recruitment of his replacement has commenced.
